

Light Engine Driver Experiences

At The B&WR Diesel Gala 2018

As part of the autumn diesel gala the Bodmin Mainline Diesel Group are offering Light Engine (LE) Driver Experiences (DEC) of over 30 minutes in duration and covering approximately 5 miles of driving one of the Bodmin lines. On the Boscarne line this will mean the full line to Boscarne Jct and back, for Parkway line this will mean to Coleslogget Halt and back (*Not to Bodmin Parkway*). One person can book to drive both ways or can book for a two-person shared experience: i.e. one drives outbound, one drives inbound, the second person can occupy the secondman seat, bookings are for a maximum of two people in the Cab (Over 18 years of age). A B&WR qualified driver and a secondman will also be present at all times during the LE DEC.

The Light Engine Driver Experience is available this year at a cost of £50 per slot, which must be paid to secure the booking. All proceeds raised from these LE DEC's are going to the Bodmin Mainline Diesel Group to help keep the locomotives in full working order for the future.

The Gala timetable allows for a number of LE-DEC's at different times of the day with one of the available Bodmin Railway locomotives (33110, 37142 or 50042). See below for which loco is available at which time for booking a LE DEC. Please also note any visiting locomotives are not available for LE DEC booking.

Pre-booking to secure your LE DEC locomotive and time slot, can be arranged in advance through the Bodmin Railway Office: Tel 01208 73555 using over the phone card payment. Or by visiting the railway office during working hours and making the booking / payment in person i.e. card, cash or cheque. On the Gala day any available LE DEC slots can also be booked by visiting the railway office prior to the LE DEC.

Please note, there are No DEC's available on the class 67.

General Conditions

- Course participants must be at least 18 years of age, be physically fit and be able to climb a 6ft vertical ladder with suitable stout footwear. Course participants must not be under the influence of drink or drugs.
- This activity may not be suitable for those with some disabilities, particularly where these affect mobility, concentration, dexterity and co-ordination. If you believe this may be a factor for the participant please contact us in advance to ensure the activity is suitable and to avoid any embarrassment on the day.
- You must be prepared to accept instructions from those in charge, which will be for your own benefit. Instructors are qualified and experienced BWR Drivers and Secondmen. They may terminate the DEC at any time if instructions are not followed or unsafe actions are made. No refund will be made.
- Prior to the Light Engine DEC you must report to the Bodmin General Office to read & receive instruction along with signing to say you have understood the conditions.
- BWR & the BMDG will make every endeavour to run the above LE DEC's, however in the event of a locomotive failure, crew none availability or gala timetable alterations that results in a LE DEC slot being cancelled, then the BWR will refund the DEC payment via the office.
